Terms and Conditions for
QikAi Vision to HTML

by AiPlaygroundClub.com

By purchasing and using the QikAi Vision to HTML software product ("the Product"), you ("the Buyer") agree to the following terms and conditions:

1. Personal Use Rights: The Buyer is granted personal use rights to the Product. This means that the Buyer is allowed to use the Product for their own personal purposes and cannot pass any rights to a third party.

2. Installation on Personal Domains: The Buyer is permitted to install and use the Product on domains that they personally own. Commercial use of the Product or installation on domains not owned by the Buyer is strictly prohibited.

3. Source Code Modifications: The Buyer is free to change or modify the source code of the Product without any restrictions. However, the Buyer is not allowed to resell or distribute the modified source code as their own work.

4. Disclaimer of Responsibility: The Seller accepts no responsibility for any issues, damages, or losses that may arise from the installation or use of the Product on the Buyer's server. The Buyer assumes all risks associated with the installation and use of the Product.

5. Intellectual Property Rights: All intellectual property rights related to the Product, including but not limited to copyrights and trademarks, remain with the Seller. The Buyer agrees not to infringe upon these rights or claim ownership of any part of the Product.

6. Support and Updates: The Seller may provide support and updates for the Product at their discretion, but there is no guarantee of ongoing support or updates.

7. Refunds: Due to the nature of digital products, refunds will not be granted once the Buyer has downloaded or received the Product. It is the Buyer's responsibility to evaluate and ensure that the Product meets their requirements before making a purchase.

8. Legal Compliance: The Buyer is solely responsible for ensuring that their use of the Product complies with all applicable laws, regulations, and licensing requirements.

9. Severability: If any provision of these terms and conditions is deemed to be invalid or unenforceable, the remaining provisions shall continue to be valid and enforceable to the fullest extent permitted by law.

10. Entire Agreement: These terms and conditions constitute the entire agreement between the Buyer and the Seller and supersede any prior agreements, understandings, or representations, whether written or oral.

By purchasing and using the QikAi Vision to HTML software product, the Buyer acknowledges that they have read, understood, and agreed to these terms and conditions.
